**KATRINA
DISASTER RELIEF...FAITH, HOPE, STRENGTH**

The Atlantic hurricane season of 2005 recorded Katrina as the sixth strongest hurricane on record in the history of the United States. The most severe loss of life and property occurred in New Orleans, Louisiana which flooded as the levee system catastrophically failed.

In our effort to help provide relief for those who lost all, honor first responders and in the spirit of the rebuilding Hillary's created a meaningful gift presentation that was filled with southern flavor. Our patrons sent special wishes for any number of occasions and helped support the rebuilding effort in Louisiana.

10% of the proceeds of each gift presentation was donated to Habitat for Humanity in New Orleans, LA.
